The International Journal of Distance Education Technologies (IJDET) is an EI journal and a forum for researchers and practitioners to disseminate practical solutions to the automation of open and distance learning. Targeted to academic researchers and engineers who work with distance learning programs and software systems, as well as general users of distance education technologies and methods, IJDET discusses computational methods, algorithms, implemented prototype systems, and applications of open and distance learning. All manuscripts submitted to the journal are peer-reviewed according to the procedure consisting of initial review, peer review, and recommendation.

IJDET is and the scope of the journal includes, but is not limited to:

- ✓ Assessment
- ✓ Distance Learning for Culture and Arts
- ✓ Intelligent and Adaptive Learning
- ✓ Intelligent Agents and Multi-Agent Systems
- ✓ Learning Analytics and Academic Analytics
- ✓ Mobile Learning and Cloud-based Learning Technology
- ✓ Natural Language Processing based Learning Technology
- ✓ Nurse Medical Healthcare
- ✓ Social Computing and Social Network Analysis Learning Technology
- ✓ Game-based Learning and Assessment
- ✓ Science, Technology, Engineering, and Math (STEM) Education
- ✓ Ubiquitous Learning Technology
- ✓ Virtual Worlds for Distance Education

Manuscript guidelines:

All submissions have to follow IJDET manuscript guidelines (and should be submitted online). All submissions will be reviewed by at least three reviewers. Guidelines for submission can be found in: <http://www.ijdet.com>

General Information and Journal Contents can be found in:

<http://www.igi-global.com/journal/international-journal-distance-education-technologies/>

We also encourage potential research in any fields related to the journal to form a high quality guest editorial team to submit special issue proposal online, for any emerging, important, and hot topics. Please submit your special issue proposal online as a manuscript and choose "[Special Issue Proposal]" as its Section. The special issue proposal sample can be downloaded at

http://vip.is-very-good.org/editing/IJDET-Special_Issue_Proposal_Sample.doc
